Re: Route 280, Sections 8A and 8D, Contaminated Material

Dear Mr. Fischer:

We have received your set of prints for the revision of Plan N 280-624. I have made arrangements to have Mr. Frank Coolick of my engineering staff meet with Mr. John Bolan of the Hackensack Meadowlands Development Commission on Friday, January 6, 1978, for the purpose of conducting a joint review of this project. We have not received the copy of the Resolution from the Town of Kearny, but as soon as it is received, and assuming we have a favorable review, you will be granted permission to utilize the Kearny site.

If you have any questions regarding this matter, please contact Mr. Frank Coolick of my staff at extension 0242.

Very truly yours,

*Beatrice S. Tylutki*
